

Edmon C. Hallig

Blk7 lot9 Sunnysdale Home Sabang, Dasmariñas Cavite.
09568225454 | edmon.hallig@yahoo.com

Objective

To Engage to an Establishe sophisticated Engineering, Management Development.

Personal Details

- Date of Birth : Feb. 29,1968
- Marital Status : Married
- Nationality : Filipino

Education

- **Juan Sumulong Elem. School.** 1980
Primary Sch.
- **Pasay City West High School.** 1985
Secondary School.
- **Patt's School of Aeronautics** 1987
Aircraft Maintenance Technician

Experience

- **Amec Foster wheeler/Wood** May 15,2019 - Present
Rigger offshore/STL Warehouse
Disassembling, assemble, erection, installing girders, hand reeled, preparing rigging tools, assessment of work area, loading and unloading of materials, checking, inventories of materials, performed other function that will assigned from time to time.
- **Jardine Control Energy** June 15,2017 - Feb. 20,2019
Warehouse Rigger/Material Controller
Receiving, checking, put location of materials, loading and unloading, issued, assisting of sub contractor.preparing rigging tools,signaling, use appropriate rigging tools, performed other relative function assigned from time to time.
- **NIJL Aircraft Docking** July 15,2015 - April 20,2016
Rigger/Erector
Loading, unloading, checking, preparing rigging tools, Erection of materials, signalling, assemble of horizontal and linking bridge of aircraft docking, performed other relative function that maybe assigned from time to time.
- **Maritime Resource Asia/Heerema Marine Contractor** May 12,2015 - June 15,2014
Rigger Offshore
Disassembling, overhaul, installed sheave, signaling, loading and unloading, checking, preparing and use proper rigging tools, assisting and performed other relative function that maybe assigned from time to time.
- **Doosan Heavy Industries and Construction** August 15,2011 - August 20,2013
Foreman Rigger
Receiving, checking, issued, monitoring, loading, unloading, signalling, preparing checking proper rigging tools, assisting sub-contractor, performed other relative function that maybe assigned from time to time.
- **ETISALAT/Emirates Telecommunication Company** Oct. 10,2010 - April 30,2011
Rigger Installer Telecom
Installation of 2G,3G,4G, Micro wave antenna, panning or adjusting antenna, climbing mono pole and tower, installing new site, preparing materials, checking rigging equipment and tools, loading, unloading materials, installing grounding cable, cable tray and new cable lines, Installing GSM and CTMU antenna, performed other relative function that maybe assigned from time to time.

- Maritime Industries Services** June 30,2009 - July 10,2010
 Rigger/Oil Rig Fabrication
 Manuevering, work confine space, loading, unloading, dissmatling, assemble, installing new materials, preparing, checking proper rigging tools, signalling, performed other relative function that maybe assigned from time to time.
- Dubai Dry Docks** March 6,1993 - July 08,1996
 Marine Rigger/Shipping Yard
 Loading, unloading, working in comfine space, manuevering materials, dissmatling, assemble, installing new materials, signaling, assisting in millright, preparing checking proper rigging tools, performed other function that maybe assigned from time to time.
- TSPA Joine Venture/light Rail line 2 LRT** June 17,2007 - June 30,2009
 HRV Electrician
 Performed daily and weekly maintenance, replacement of break, cleaning aircon filter and condenser repair and troubleshoot both electrical and mechanical system, performed other relative function that maybe assigned from time to time.
- Light Rail Transit Line-2 System** Feb. 15,2005 - June 15,2007
 Sr. Transport Electrician
 Checking, troubleshoot on both Electrical and Mechanical system, performed daily and weekly maintenance on trian, cleaning of aircon filter and condenser, replacement of break and pantograph, performed other relative function that maybe assigned from time to time.
- Manila Electric Company** July 17,1997 - March 17,1999
 Jr. Stockman Driver
 Checking, preparing, installing materials, driving treailer w/meralco pole, incharged on withdrawal of materials, performed other relative function that maybe assigned from time to time.

Skills

- Rigging, telecom Rigging, Material Controller, Stockman, Warehouseman, Electrician, Driver, Scaffolder, Train Technician. Mill Right Rigger.
